

# Elisabeth Bruesewitz

---

## work experience

### **Engineering Co-op, L'Oreal - August 2015 - January 2016**

- Trained over 50 employees across 2 buildings and 3 different shifts for physical inventory, resulting in the most efficient inventory in the plant to date
- Collaborated with members of management committee to update training requirements and materials across the plant
- Managed safety improvements in the warehouse and worked closely with contractors to ensure their completion
- Contributed to company culture by leading a team of 7 other co-ops in organizing monthly site-wide service projects

### **Brand Ambassador, OrderUp – Summer 2015**

- Successfully launched the business in it's 50<sup>th</sup> market
- Brainstormed strategic marketing events to drive traffic to the company's website and app

### **Sales Associate, Hollister Co. – November 2014 - January 2015**

- Gained a deep understanding of customer service through helping customers shop for clothing, working towards daily sales goals, and assisting customers behind the cash register
- Learned the ins and outs of a logistics centered role through assisting in the processing and sorting of daily shipments

## leadership

### **Young Life Leader, Withrow High School – 2015 – present**

- Volunteering 20+ hours weekly to mentor adolescents in the urban core of Cincinnati
- Working with a team of 3 other leaders to plan and implement strategic events designed to cultivate community
- Attend weekly leadership meetings and bi-annual leadership retreats
